## Anti-NORE1A [10F10-C6-C6] Bulk Size Ab02692-10.0-BT

This chimeric human antibody was made using the variable domain sequences of the original Mouse IgG1 format, for improved compatibility with existing reagents, assays and techniques.

**Isotype and Format:** Human IgG1, Kappa

**Clone Number:** 10F10-C6-C6

**Alternative Name(s) of Target:** Ras association domain-containing protein 5; New ras effector 1; Regulator for cell adhesion and polarization enriched in lymphoid tissues; RAPL

**UniProt Accession Number of Target Protein:** Q8WWW0

**Published Application(s):** WB, IF

**Published Species Reactivity:** Human

**Immunogen:** The original antibody was generated by immunizing mice against amino acids 119-416 of human NORE1A.

**Specificity:** The antibody reacts with NORE1A epitope located within amino acids 119-191 of the human NORE1A protein, a unique sequence in the NORE1A splice form.

**Application Notes:** This antibody has been used to specifically bind NORE1A in Western blots (Kuznetsov et al, 2008; pmid:19098985); it detected NORE1A in human HBEC3-KT cells (Moshnikova et al, 2006; pmid:16421102). Immunofluorescence was performed on human bronchial epithelial cells (HBEC3-KT or HBEC3-KTR) using this antibody (Moshnikova et al, 2006; pmid:16421102).

**Antibody First Published in:** Moshnikova et al. The growth and tumor suppressor NORE1A is a cytoskeletal protein that suppresses growth by inhibition of the ERK pathway J Biol Chem. 2006 Mar 24;281(12):8143-52. [PMID:16421102](#)

**Note on publication:** The article describes the generation and characterization of the antibody.

### Product Form

**Size:** 1 mg Purified antibody in bulk size.

**Purification:** Protein A affinity purified

**Supplied In:** PBS only.

**Storage Recommendation:** Store at 4°C for up to 3 months. Note, this antibody is provided without added preservatives, it is therefore recommended this antibody be handled under sterile conditions. For longer storage, aliquot and store at -20°C.

**Concentration:**

1 mg/ml.

Important note - This product is for research use only. It is not intended for use in therapeutic or diagnostic procedures for humans or animals.
