Anti-VISTA [11A4] Standard Size Ab03306-10.3

This antibody was created using our proprietary Fc Silent™ engineered Fc domain containing key point mutations that abrogate binding to Fc gamma receptors.

This chimeric human antibody was made using the variable domain sequences of the original Mouse IgG2a format for improved compatibility with existing reagents assays and techniques.

Isotype and Format: Human IgG1, Fc Silent™, Kappa

Clone Number: 11A4

Alternative Name(s) of Target: PD-1H; V-Type Immunoglin Domain-Containing Suppressor of T-Cellactivation; Platelet receptor Gi24; Stress-induced secreted protein-1; Sisp-1; V-set domain-containing immunoregulatory receptor; V-set immunoregulatory receptor; D5L5T;CGMCCNO 20766

UniProt Accession Number of Target Protein: Q9H7M9

Published Application(s): WB, ELISA, IHC

Published Species Reactivity: Human

Immunogen: The original antibody was generated by immunizing a mouse with the recombinant VISTA protein.

Specificity: The antibody is specific for VISTA protein. VISTA is an immunoregulatory receptor which inhibits the T-cell response, which may promote differentiation of embryonic stem cells, by inhibiting BMP4 signaling.

Application Notes: The antibody 11A4 and the commercial antibody D5L5T were used to stain epithelial vascular sarcoma, placental trophoblasts and urethral carcinoma in immunohistochemistry. Results showed the antibody specificity is equivalent to the commercial antibody. Further, the staining intensity of the antibody 11A4 was higher than the commercial antibody (CN112940125A).

Antibody First Published in: [PMID:](#)

Note on publication:

Product Form

Size: 200 µg Purified antibody.

Purification: Protein A affinity purified

Supplied In: PBS with 0.02% Proclin 300.

Storage Recommendation: Store at 4°C for up to 3 months. For longer storage, aliquot and store at -

20°C.

Concentration: 1 mg/ml.

Important note - This product is for research use only. It is not intended for use in therapeutic or diagnostic procedures for humans or animals.
