## Anti-S protein [6E6] Standard Size Ab03471-3.0

**Isotype and Format:** Mouse IgG2b, Kappa

**Clone Number:** 6E6

**Alternative Name(s) of Target:** PEDV; S; E2; Spike glycoprotein; S glycoprotein; Peplomer protein; Porcine epidemic diarrhea virus

**UniProt Accession Number of Target Protein:** Q91AV1

**Published Application(s):** WB, ELISA

**Published Species Reactivity:** Porcine epidemic diarrhea virus (PEDV)

**Immunogen:** The original antibody was generated by immunizing 6 week-old-female BALB/c mice with 50 µg of purified PEDV emulsified in complete Freund's adjuvant.

**Specificity:** This antibody binds a linear epitope between amino acids 756 SGSIGYVPLQDGQVKI 771 of the spike protein of porcine epidemic diarrhea virus (PEDV). S1 region attaches the virion to the cell membrane by interacting with host ANPEP/aminopeptidase N, initiating the infection. PEDV, a member of the genus Alphacoronavirus in the family Coronaviridae, causes acute diarrhea and/or vomiting, dehydration and high mortality in neonatal piglets.

**Application Notes:** The binding characterization of this antibody to PEDV spike protein linear epitope 'SGSIGYVPLQDGQVKI' was done using ELISA and western blot. This antibody also bound a peptide having amino acids sequence 'LQDGQVKI' in an ELISA (PMID: 18400422).

**Antibody First Published in:** Sun et al. Identification of two novel B cell epitopes on porcine epidemic diarrhea virus spike protein. Vet Microbiol. 2008 Sep 18; 131(1): 73-81. [PMID:18400422](#)

**Note on publication:** Describes the characterization of two epitope on the spike protein of PEDV using antibodies.

## Product Form

**Size:** 100 µg Purified antibody.

**Purification:** Protein A affinity purified

**Supplied In:** PBS with 0.02% Proclin 300.

**Storage Recommendation:** Store at 4°C for up to 3 months. For longer storage, aliquot and store at -20°C.

**Concentration:** 1 mg/ml.

Important note - This product is for research use only. It is not intended for use in therapeutic or diagnostic procedures for humans or animals.
