# PRODUCT INFORMATION

## Vialinin A

Item No. 10010519

**CAS Registry No.:** 858134-23-3  
**Formal Name:** benzenecetic acid, 1,1'-(4,4'',5',6'-tetrahydroxy[1,1':4',1''-terphenyl]-2',3'-diyl) ester  
**Synonym:** Terrestrin A  
**MF:** C<sub>34</sub>H<sub>26</sub>O<sub>8</sub>  
**FW:** 562.6  
**Purity:** ≥95%  
**UV/Vis.:** λ<sub>max</sub>: 263 nm  
**Supplied as:** A crystalline solid  
**Storage:** -20°C  
**Stability:** ≥2 years  
**Item Origin:** Synthetic

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

### Laboratory Procedures

Vialinin A is supplied crystalline solid. A stock solution may be made by dissolving the vialinin A in an organic solvent purged with an inert gas. Vialinin A is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide. The solubility of vialinin A in ethanol is approximately 10 mg/ml and approximately 20 mg/ml in DMSO and DMF.

Vialinin A is sparingly soluble in aqueous buffers. For maximum solubility in aqueous buffers, vialinin A should first be dissolved in DMSO and then diluted with the aqueous buffer of choice. Vialinin A has a solubility of approximately 0.25 mg/ml in a 1:3 solution of DMSO:PBS (pH 7.2) using this method. We do not recommend storing the aqueous solution for more than one day.

### Description

Vialinin A is a terphenyl compound originally isolated from the fungi *T. terrestris* and *T. vialis*.<sup>1,2</sup> Terphenyls, in general, are recognized as strong antioxidants.<sup>3</sup> Vialinin A potently inhibits the release of TNF-α (IC<sub>50</sub> = 0.09 nM) and IL-4 (IC<sub>50</sub> = 2.8 nM), as well as β-hexosaminidase and CCL2 (MCP-1) from IgE-stimulated RBL-2H3 mast cells.<sup>4</sup> Vialinin A does not significantly increase lactate dehydrogenase release from RBL-2H3 mast cells, suggesting low cytotoxicity.<sup>4</sup>

#### WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

#### SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

#### WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
