PRODUCT INFORMATION

Ganglioside G_{M3} Mixture (sodium salt)

Item No. 15587

CAS Registry No.: 54827-14-4

Synonyms: Hematoside Mixture,

Sialosyllactosylceramide Mixture

MF: C₅₉H₁₀₇N₂O₂₁ • Na (for tricosanoyl)

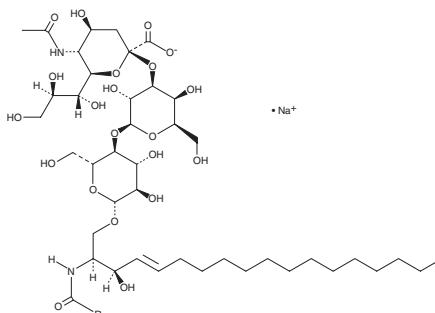

FW: 1,203.5

Purity: ≥98%

Supplied as: A lyophilized solid

Storage: -20°C

Stability: ≥2 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

Laboratory Procedures

Ganglioside G_{M3} mixture (sodium salt) is supplied as a lyophilized solid. A stock solution may be made by dissolving the ganglioside G_{M3} mixture (sodium salt) in water. We do not recommend storing the aqueous solution for more than one day.

Description

Ganglioside G_{M3} is a monosialoganglioside that demonstrates antiproliferative and pro-apoptotic effects in tumor cells by modulating cell adhesion, proliferation, and differentiation.^{1,2} It suppresses angiogenesis and reduces proliferation and migration of human umbilical vein endothelial cells (HUVECs) when used at a concentration of 20 µM via inhibition of VEGFR2 and Akt phosphorylation.^{1,2} Ganglioside G_{M3} induces dissociation of the insulin receptor-caveolin-1 complex from lipid microdomains, functioning as an inhibitor of insulin signaling and contributing to insulin resistance in adipocytes.³ Ganglioside G_{M3} mixture contains ganglioside G_{M3} molecular species with C18:1 and C20:1 sphingoid backbones.

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
