# PRODUCT INFORMATION

## Acetyl-L-carnitine (chloride)

Item No. 16948

**CAS Registry No.:** 5080-50-2  
**Formal Name:** 2R-(acetyloxy)-3-carboxy-N,N,N-trimethyl-1-propanaminium, monochloride  
**Synonyms:** ALCAR, L-Acetylcarnitine  
**MF:** C<sub>9</sub>H<sub>18</sub>NO<sub>4</sub> • Cl  
**FW:** 239.7  
**Purity:** ≥98%  
**UV/Vis.:** λ<sub>max</sub>: 209 nm  
**Supplied as:** A crystalline solid  
**Storage:** -20°C  
**Stability:** ≥2 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

### Laboratory Procedures

Acetyl-L-carnitine (chloride) is supplied as a crystalline solid. A stock solution may be made by dissolving the acetyl-L-carnitine (chloride) in the solvent of choice, which should be purged with an inert gas. Acetyl-L-carnitine (chloride) is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide (DMF). The solubility of acetyl-L-carnitine (chloride) in ethanol and DMF is approximately 20 mg/ml and approximately 10 mg/ml in DMSO.

### Description

Acetyl-L-carnitine is an acetylated form of the essential mitochondrial metabolite L-carnitine (Item No. 21489) that is catabolized by plasma esterases into carnitine.<sup>1-3</sup> Acetyl-L-carnitine facilitates the uptake of acetyl-CoA into mitochondria during fatty acid oxidation, enhances acetylcholine production, and stimulates protein and membrane phospholipid synthesis. *In vivo*, acetyl-L-carnitine (100 mg/kg) increases mGlu2/3 receptor protein levels and mechanical pain thresholds in a mouse model of chronic inflammatory pain induced by complete Freund's adjuvant.<sup>4</sup>

#### WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

#### SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

#### WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
