# PRODUCT INFORMATION

## Dehydro Nifedipine

Item No. 23229

CAS Registry No.: 67035-22-7

Formal Name: 2,6-dimethyl-4-(2-nitrophenyl)-3,5-dimethyl ester  
3,5-pyridinedicarboxylic acid

Synonym: BAY-b 4759

MF: C<sub>17</sub>H<sub>16</sub>N<sub>2</sub>O<sub>6</sub>

FW: 344.3

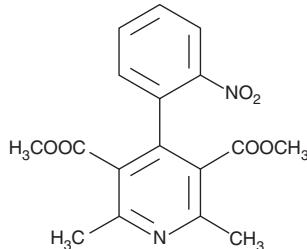

Purity: ≥98%

UV/Vis.: λ<sub>max</sub>: 260 nm

Supplied as: A crystalline solid

Storage: -20°C

Stability: ≥2 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

### Laboratory Procedures

Dehydro nifedipine is supplied as a crystalline solid. A stock solution may be made by dissolving the dehydro nifedipine in the solvent of choice. Dehydro nifedipine is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide (DMF), which should be purged with an inert gas. The solubility of dehydro nifedipine in ethanol is approximately 3 mg/ml and approximately 30 mg/ml in DMSO and DMF.

Dehydro nifedipine is sparingly soluble in aqueous buffers. For maximum solubility in aqueous buffers, dehydro nifedipine should first be dissolved in DMSO and then diluted with the aqueous buffer of choice. Dehydro nifedipine has a solubility of approximately 0.1 mg/ml in a 1:10 solution of DMSO:PBS (pH 7.2) using this method. We do not recommend storing the aqueous solution for more than one day.

### Description

Dehydro nifedipine is an active metabolite of nifedipine (Item No. 11106), a calcium channel blocker present in formulations used to treat hypertension and angina.<sup>1-4</sup> Dehydro nifedipine is formed when nifedipine is metabolized by the cytochrome P450 (CYP) isomers CYP3A4 and CYP3A5.<sup>2</sup> Dehydro nifedipine inhibits glucose uptake in PC-12 cells with an IC<sub>50</sub> value of 130 μM.<sup>1</sup>

#### WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

#### SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

#### WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
