# PRODUCT INFORMATION

## GAT228

Item No. 24485

**CAS Registry No.:** 1446648-15-2  
**Formal Name:** 3-[(1R)-2-nitro-1-phenylethyl]-2-phenyl-1H-indole  
**MF:** C<sub>22</sub>H<sub>18</sub>N<sub>2</sub>O<sub>2</sub>  
**FW:** 342.4  
**Purity:** ≥98%  
**Supplied as:** A solid  
**Storage:** -20°C  
**Stability:** ≥2 years

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

### Laboratory Procedures

GAT228 is supplied as a solid. A stock solution may be made by dissolving the GAT228 in the solvent of choice. GAT228 is soluble in the organic solvent DMSO, which should be purged with an inert gas, at a concentration of approximately 20 mg/ml.

### Description

GAT228 is an allosteric agonist of cannabinoid receptor 1 (CB<sub>1</sub>), the R-(+)-enantiomer of the CB<sub>1</sub> positive allosteric modulator (PAM) GAT229 (Item No. 24486), and a component of the racemic mixture GAT211, which acts as both an agonist and PAM.<sup>1,2</sup> GAT228 increases β-arrestin recruitment, cAMP inhibition, and ERK1/2 and PLCβ3 phosphorylation in HEK293A cells expressing GFP-tagged human CB<sub>1</sub> (hCB<sub>1</sub>-GFP) in a concentration-dependent manner.<sup>1</sup> Unlike GAT229, GAT228 has no effect on the binding of the CB receptor agonist CP 55,940 to membranes from CHO cells expressing hCB<sub>1</sub> when used at concentrations up to 1 μM. It inhibits excitatory postsynaptic currents (EPSCs) in a subset of CB<sub>1</sub>-expressing murine autaptic hippocampal neurons when used at a concentration of 1 μM.<sup>2</sup>

#### WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

#### SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

#### WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
