PRODUCT INFORMATION

Cucurbitacin II_a

Item No. 37371

CAS Registry No.: 58546-34-2

Formal Name: (2 β ,3 α ,9 β ,10 α ,16 α)-25-(acetoxy)-2,3,16,20-tetrahydroxy-9-methyl-19-norlanost-5-ene-11,22-dione

Synonyms: Dihydrocucurbitacin Q1,
Hemslecin A

MF: C₃₂H₅₀O₈

FW: 562.7

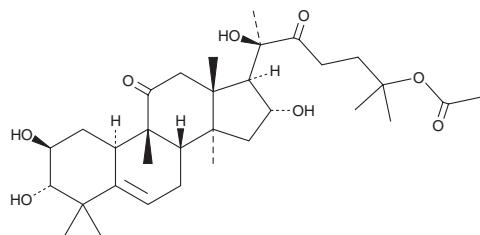

Purity: \geq 98%

Supplied as: A solid

Storage: -20°C

Stability: \geq 4 years

Item Origin: Plant/Hemsleya amabilis Diels

Information represents the product specifications. Batch specific analytical results are provided on each certificate of analysis.

Laboratory Procedures

Cucurbitacin II_a is supplied as a solid. A stock solution may be made by dissolving the cucurbitacin II_a in the solvent of choice, which should be purged with an inert gas. Cucurbitacin II_a is soluble in methanol and DMSO.

Description

Cucurbitacin II_a is a triterpenoid that has been found in *H. amabilis* and has diverse biological activities.¹⁻³ It decreases the proliferation of (IC₅₀ = 370 nM), and induces cell cycle arrest at the G₂/M phase and apoptosis in HT-29 colorectal adenocarcinoma cells when used at a concentration of 1 μ M.¹ Cucurbitacin II_a (2.5 μ M) induces cell cycle arrest at the G₀/G₁ phase in LPS-stimulated, but not unstimulated, RAW 264.7 macrophages.² In vivo, cucurbitacin II_a (5 mg/kg) decreases immobility time in the forced swim test and the tail suspension test in a mouse model of intermittent unpredictable stress.³

WARNING

THIS PRODUCT IS FOR RESEARCH ONLY - NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA

This material should be considered hazardous until further information becomes available. Do not ingest, inhale, get in eyes, on skin, or on clothing. Wash thoroughly after handling. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY

Buyer agrees to purchase the material subject to Cayman's Terms and Conditions. Complete Terms and Conditions including Warranty and Limitation of Liability information can be found on our website.
