Agrisera IncuBlocker Wash Buffer (100 ml)

Product information

Agrisera IncuBlocker Wash Buffer to be used with [Agrisera IncuBlocker](#).

Agrisera IncuBlocker is an "all in one" kit for fast western blot processing. The kit contains all you need to get you started, except for primary antibody of your choice and chemiluminescence developing reagent, which you can also purchase from Agrisera: [AgriseraECL SuperBright](#) (highest sensitivity, extreme low femtogram detection range).

Frequently Asked Questions about IncuBlocker are answered [here](#).

The wash buffer included in this kit can also be bought separately since your antibody can be re-used up to 5 times (not recommended for quantification work).

Quantity | Wash Buffer (10x) (Reagent A) 100 ml

Application information
