

# SZABO SCANDIC

Part of Europa Biosite

## Produktinformation

Forschungsprodukte & Biochemikalien

Zellkultur & Verbrauchsmaterial

Diagnostik & molekulare Diagnostik

Laborgeräte & Service

Weitere Information auf den folgenden Seiten!  
See the following pages for more information!

### Lieferung & Zahlungsart

siehe unsere [Liefer- und Versandbedingungen](#)

### Zuschläge

- Mindermengenzuschlag
- Trockeneiszuschlag
- Gefahrgutzuschlag
- Expressversand

## Disulfo-ICG amine

|                    |                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------|
| Cat. No.:          | HY-D2252                                                                                      |
| Molecular Formula: | C <sub>51</sub> H <sub>62</sub> N <sub>4</sub> Na <sub>2</sub> O <sub>10</sub> S <sub>3</sub> |
| Molecular Weight:  | 1033.23                                                                                       |
| Target:            | Fluorescent Dye                                                                               |
| Pathway:           | Others                                                                                        |
| Storage:           | Please store the product under the recommended conditions in the Certificate of Analysis.     |

### BIOLOGICAL ACTIVITY

|             |                                         |
|-------------|-----------------------------------------|
| Description | Disulfo-ICG amine is a fluorescent dye. |
|-------------|-----------------------------------------|
