## Bentracimab

Cat. No.:	HY-P99469
CAS No.:	2260568-31-6
Target:	Others
Pathway:	Others
Storage:	Please store the product under the recommended conditions in the Certificate of Analysis.

### BIOLOGICAL ACTIVITY

<b>Description</b>	Bentracimab (PB 2452) is a neutralizing monoclonal antibody that binds <a href="#">Ticagrelor</a> (HY-1006) and its major active circulating metabolite with high affinity. Bentracimab can rapidly reverse the antiplatelet effect of Ticagrelor <sup>[1]</sup> .
<b>In Vivo</b>	Bentracimab-bound Ticagrelor is primarily eliminated together with Bentracimab in the kidneys, and not recycled to the plasma <sup>[2]</sup> . MCE has not independently confirmed the accuracy of these methods. They are for reference only.
