Mouse anti-Human blood group antigen ABH, clone HE-10 (Monoclonal)

Clone no. HE-10

MONOSAN

---

|                           |                                                                                                                     |
|---------------------------|---------------------------------------------------------------------------------------------------------------------|
| Product name              | Mouse anti-Human blood group antigen ABH, clone HE-10 (Monoclonal)                                                  |
| Host                      | Mouse                                                                                                               |
| Applications              | IHC-P, FC                                                                                                           |
| Species reactivity        | Human                                                                                                               |
| Conjugate                 | -                                                                                                                   |
| Immunogen                 | Mixture of erythrocytes of group A1 and glycoprotein fraction isolated from saliva of secretors with blood group A. |
| Isotype                   | IgM                                                                                                                 |
| Clonality                 | Monoclonal                                                                                                          |
| Clone number              | HE-10                                                                                                               |
| Size                      | 0.1 mg                                                                                                              |
| Concentration             | 1 mg/ml                                                                                                             |
| Format                    | -                                                                                                                   |
| Storage buffer            | Tris buffered saline (TBS) solution with 15 mM sodium azide                                                         |
| Storage until expiry date | 2-8°C                                                                                                               |
