Product datasheet PS282F

**MONOSAN**<sup>®</sup>

Polyclonal Sheep anti-C1q, FITC

Clone no. -

MONOSAN

---

|                           |                                  |
|---------------------------|----------------------------------|
| Product name              | Polyclonal Sheep anti-C1q, FITC  |
| Host                      | Sheep                            |
| Applications              | IHC-fr                           |
| Species reactivity        | human                            |
| Conjugate                 | FITC                             |
| Immunogen                 | Human C1q, purified from plasma. |
| Isotype                   | -                                |
| Clonality                 | Polyclonal                       |
| Clone number              | -                                |
| Size                      | 1 ml                             |
| Concentration             | 10 mg/ml                         |
| Format                    | -                                |
| Storage buffer            | PBS                              |
| Storage until expiry date | 2-8°C                            |

FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES

Product datasheet

PS282F

**MONOSAN**<sup>®</sup>

Polyclonal Sheep anti-C1q, FITC

Clone no. -

MONOSAN

---

**Additional info**

Sheep anti Human C1q antibody recognizes human C1q, a sub-component of the C1 complement component.
