

## 1. IDENTIFICATION OF THE SUBSTANCE/MIXTURE AND OF THE COMPANY UNDERTAKING

- **Product identifiers**

Product Name: CD9 Clone CGS12A mAb  
Catalogue Number: EX201

- **Relevant identified uses of the substance or mixture and uses advised against**

Research use only. Not for drug, diagnostic or other use.

- **Details of the supplier of the safety data sheet**

Company Cell Guidance Systems  
Moneta Building, Babraham Research Campus,  
Cambridge CB22 3AT, UK  
Web [www.cellgs.com](http://www.cellgs.com)  
Email [tech@cellgs.com](mailto:tech@cellgs.com)  
Telephone +44 (0)1223 967316

- **Emergency Information**

In case of a chemical emergency, spill, fire, or exposure, call Cell Guidance Systems at +44 (0) 1223 967316 (09.00 - 17.00 GMT). In US call 760 450 4304.

## 2. HAZARDS IDENTIFICATION

- **Classification of the substance or mixture**

Not a hazardous substance or mixture.  
This substance does not meet the classification criteria of the EC Directives 67/548/EEC, 1999/45/EC or 1272/2008.

- **Label elements**

The product does not need to be labeled in accordance with EC directives or respective national laws.

- **Other hazards**

None

## 3. COMPOSITION/INFORMATION ON INGREDIENTS

- **Substances**

The product does not contain any hazardous substances at concentrations of 1% or greater. The product is not known to contain carcinogens at a concentration of 0.1% or greater. No MSDS is required.

## 4. FIRST AID MEASURES

- **Description of first aid measures**

General advice: Consult a doctor and show this safety data sheet.

|                          |   |
|--------------------------|---|
| If inhaled:              | Remove to fresh air and monitor breathing. If breathing becomes difficult, give oxygen.<br>If breathing stops, give artificial respiration. Consult a doctor.             |
| In case of skin contact: | Immediately wash skin with copious amounts of soap and water and rinse thoroughly.<br>Generally the product does not irritate the skin. Consult a doctor.                 |
| In case of eye contact:  | Flush with copious amounts of water for several minutes. Consult a doctor.  |
| If swallowed:            | Rinse mouth with water. Do not induce vomiting unless directed to do so by medical personnel.<br>Never give anything by mouth to an unconscious person. Consult a doctor. |

## 5. FIRE-FIGHTING MEASURES

- **Classification of substance**

The product is non-flammable.

- **Suitable extinguishing media**

Use water spray, carbon dioxide, dry chemical powder or alcohol-resistant foam.

- **Protective Equipment**

Wear suitable protective clothing to prevent contact with skin and eyes and self-contained breathing apparatus.

## 6. ACCIDENTAL RELEASE MEASURES

- **Personal precautions, protective equipment and emergency procedures**

Use standard laboratory practices including proper personal protective equipment. Implement appropriate precautions to minimize direct contact with skin or eyes and prevent inhalation of dust.

- **Environmental precautions**

Do not let product enter drains.

- **Methods and materials for containment and cleaning up**

Cover spillage with suitable absorbent material. Using non-spark tools, sweep up material and place in an appropriate container. Ventilate area until after disposal is complete. Hold all material for appropriate disposal as described under section 13 of MSDS.

- **Additional information**

None

## 7. HANDLING AND STORAGE

- **Precautions for safe handling**

No special measures required. No special precautions are necessary if used correctly. Avoid inhalation, contact with eyes, skin and clothing.

- **Conditions for safe storage, including any incompatibilities**

Keep away from direct sunlight. Keep container tightly sealed until ready for use. Recommended storage temperature: Store at -20°C

- **Specific end uses**

None

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

- **Control parameters**

Components with workplace control parameters    None known. Contains no substances with occupational exposure limit values.

- **Exposure controls**

Appropriate engineering controls                      Ensure all engineering measures described under section 7 of MSDS are in place.  
Follow usual standard laboratory practices. Use appropriate personal protective work clothing.

- **Personal protective equipment**

|                        |  |
|------------------------|--|
| Eye / face protection  | Use appropriate safety glasses.  |
| Skin protection        | Use appropriate chemical resistant gloves. Gloves should be inspected before use.<br>Wash and dry hands thoroughly after handling. |
| Body protection        | Wear appropriate protective clothing.  |
| Respiratory protection | Respiratory equipment is not required.   |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

- **Information on basic physical and chemical properties**

|  |   |
|--|---|
| Appearance                                     | Clear liquid                              |
| Vapor pressure                                 | No data available                         |
| Vapor density                                  | No data available                         |
| Odor   | Little to none                            |
| Odor threshold                                 | No data available                         |
| Relative density                               | No data available                         |
| pH   | No data available                         |
| Solubility(ies)                                | Solubility specified in product datasheet |
| Melting / freezing point                       | No data available                         |
| Partition coefficient                          | No data available                         |
| Boiling point / range                          | No data available                         |
| Auto-ignition temperature                      | No data available                         |
| Flash point                                    | No data available                         |
| Decomposition temperature                      | No data available                         |
| Evaporation rate                               | No data available                         |
| Viscosity                                      | No data available                         |
| Flammability (solid, gas)                      | Non-flammable material                    |
| Explosive properties                           | No data available                         |
| Upper / lower flammability or explosive limits | No data available                         |
| Oxidising properties                           | No data available                         |

- **Other safety information**

No data available

## 10. STABILITY AND REACTIVITY

### Reactivity

Stable under recommended transport or storage conditions.

### Chemical stability

Stable under recommended storage and handling conditions.

**Possibility of hazardous reactions**

Hazardous reactions will not occur under normal transport or storage conditions.

**Conditions to avoid**

Heat, light, moisture.

**Incompatible materials**

Strong acids/alkalis, strong oxidising/reducing agents.

**Hazardous decomposition products**

In combustion may emit toxic fumes. No known decomposition information.

**11. TOXICOLOGICAL INFORMATION**

- Information on toxicological effects**

Acute Toxicity

Classification criteria are not met based on available data

Skin corrosion/irritation

Classification criteria are not met based on available data

Serious eye damage/irritation

Classification criteria are not met based on available data

Respiratory or skin sensitization

Classification criteria are not met based on available data

Germ cell mutagenicity

Classification criteria are not met based on available data

Carcinogenicity

Classification criteria are not met based on available data

Reproductive toxicity

Classification criteria are not met based on available data

Specific target organ toxicity - single exposure

Classification criteria are not met based on available data

Specific target organ toxicity - repeated exposure

Classification criteria are not met based on available data

Additional Information

RTECS No: Not available

When used and handled according to specifications, the product does not have any harmful effects according to available information.

To the best of our knowledge, the chemical, physical and toxicological properties have not been fully investigated.

**12. ECOLOGICAL INFORMATION****Ecotoxicity**

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

**Results of PBT and vPvB assessment**

No data available

**Other adverse effects**

No data available

**CERCLA Reportable Quantity**

The product is not reportable under 40 CFR Part 302.4.

**California Proposition 65**

The product is not listed on California's listing of known or potential carcinogens.

- **EU**

This MSDS was prepared in accordance with Regulation (EC) No.1272/2008 and European Directive 67/548/EEC as amended.

- **Canada**

Not WHMIS controlled. This MSDS was prepared in accordance with Hazardous Products Regulations (HPR) and WHMIS 2015.

**16. OTHER INFORMATION**

- **Disclaimer**

THIS PRODUCT IS FOR RESEARCH USE ONLY. NOT INTENDED FOR HUMAN OR ANIMAL DIAGNOSTIC OR THERAPEUTIC USES.

Copyright 2017 Cell Guidance Systems. This company shall not be held liable for any damage resulting from handling or from contact with the above product. This material must only be handled by suitably qualified experienced scientists in appropriately equipped and authorized facilities. The above information is believed to be correct but does not purport to be all inclusive and should be used as a guide only for experienced personnel. Always consult your safety advisor and follow appropriate local and national safety legislature. The absence of warning must not, under any circumstance, be taken to mean that no hazard exists.

**End of safety data sheet**
