

SAFETY DATA SHEET (SDS)

Hemagglutinin HA (H3N2) (A/Singapore/INFIMH-16-0019/2016)

1: Identification

PRODUCT DETAILS

Product Name	Hemagglutinin HA (H3N2) (A/Singapore/INFIMH-16-0019/2016) (aa 17-529)
Other Names	None IA-H3-S16WP
Use	For research use, <i>i.e.</i> western blot standard, antibody ELISA.
Company	eENZYME LLC
Address	401 Professional Drive, Suite 160 Gaithersburg, MD 20879, USA
General Information	1-240-683-5851

Section 2: Hazards Identification

GHS Classification of substances and mixtures: Not hazardous. May cause eye or skin irritation in susceptible individuals. May be harmful if swallowed or inhaled.

Signal Word: Not hazardous.

Other Information: No other information available.

Section 3: Composition/Information on Ingredients

At the concentration of the chemicals in the aqueous solution provided, the protein is considered nonhazardous.

Chemical Components	Description
Hemagglutinin	Recombinant protein, 50 µg
KCl	100 µg
KH ₂ PO ₄	120 µg
NaCl	4 mg
Na ₂ HPO ₄	572.5 µg

Section 4: First Aid Measures

Swallowed:	Rinse mouth with water then drink copious amounts of water.
Eye:	Wash continuously with water for 15 minutes
Skin:	Immediately wash skin with soap and water. Wash contaminated clothing.
Inhaled:	Remove to fresh air.
First Aid Facilities:	Eye bath
Physician's note	Treat symptomatically.

Section 5: Fire Fighting Measures

Extinguishing Media:	None
Special Firefighting Procedures:	None
Unusual Fire and Explosions Hazards	None

Section 6: Accidental Release Measures

Spill Response Containment	Absorb with paper towel and dispose into biohazard waste
Personal Precautions and Equipment	None
Emergency Procedures	Gloves, Protective goggles, laboratory coat
	Avoid direct skin and eye contact when cleaning up

Section 7: Handling and Storage

Recommendations for Safe Storage	No special precautions for personal safety
Additional Storage Information	None
Precautions for Safe Handling	Use Safe Laboratory Practice.
Additional Precautions for Handling	None

Section 8: Exposure Controls/Personal Protection

Exposure Limits	No data
Engineered Environmental Controls Needed	No special controls needed
Personal Protective Measures	Use Safe Laboratory Practice, protective gloves, goggles, laboratory coat
Special Requirements	None

Section 9: Physical and Chemical Properties

Physical State	Aqueous Solutions
Odor	None
Solubility in Water	Good
Specific Gravity	No data
pH	Neutral
Boiling Point	No data
Melting Point	No data
Flash Point	No data
Vapor Pressure	No data
Vapor Density	No data

Section 10: Stability and Reactivity

Reactivity	Compounds considered non-dangerous at concentrations given.
Chemical Stability	Stable
Hazardous Reactions or Polymerizations	Will not occur.
Hazardous Decomposition Products:	None. Burning can produce oxides of carbon and nitrogen.
Incompatible Materials	None known

Section 11: Toxicological Information

Likely Routes of Exposure	None if properly handled. Accidental routes include skin, eye and mouth. Accidental exposure might cause a reaction in susceptible individuals.
Effects of Exposure	None known, general class of similar chemical solutions have no toxic, carcinogenic, or mutagenic effects.
Toxicity Data and LD50	None known at concentrations provided.

Other Information

Preparation Date	2/20/2020
Revision Date	Unrevised

The above information is believed to be correct but does not purport to be complete and should be used only as a guide. The burden of safe use of this material rests entirely with the user.
