

# Pt(II) meso-Tetra(pentafluorophenyl)porphine: sc-264153

*The Power to Question*

## MATERIAL SAFETY DATA SHEET

---

### SECTION 1 - CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

**Product Name:** Pt(II) meso-Tetra(pentafluorophenyl)porphine  
**Product Number:** sc-264153  
**Supplier:** Santa Cruz Biotechnology, Inc.  
2145 Delaware Avenue  
Santa Cruz, CA 95060  
800.457.3801 or 831.457.3800  
**Emergency:** ChemWatch  
Within the US & Canada: 877-715-9305  
Outside the US & Canada: +800 2436 2255 (1-800-CHEMCALL) or call +613 9573 3112

### SECTION 2 - COMPOSITION AND INFORMATION ON INGREDIENTS

**Formula:** C<sub>44</sub>H<sub>8</sub>N<sub>4</sub>F<sub>20</sub>Pt  
**Molecular Weight:** 1167.61  
**CAS Registry #:** 109781-47-7  
**TLV/PEL:** Not available

### SECTION 3 - HAZARDS IDENTIFICATION

Irritating to the eyes and skin on contact. Inhalation may cause irritation of the lungs and respiratory system. Irritation of the eye is characterized by redness, watering, and itching. Skin irritation is characterized by itching, swelling, reddening, or blistering. The toxicological properties of this material have not been investigated. Follow safe industrial hygiene practices and always wear proper protective equipment when handling this compound.

### SECTION 4 - FIRST AID MEASURES

**Eyes** - Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower lids. DO NOT use an eye ointment. Get medical aid immediately.

**Skin** - Get medical aid. Flush skin with soap and water - at least 15 minutes and remove contaminated clothing and shoes.

**Ingestion** - If victim is conscious and alert, give 2-4 cupfuls of milk or water. Get medical aid immediately.

**Inhalation** - Get medical aid immediately. Remove from exposure to fresh air immediately. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.

### SECTION 5 - FIRE AND EXPLOSION DATA

As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear. During a fire, irritating and highly toxic gases may be generated by thermal decomposition or combustion.

**Flammability:** Not available

**Flash Point:** Not available

**Auto-ignition:** Not available

**Flash Point:** Not available

**Flammable Limits:** Not available

#### **Fire fighting media**

**Small Fire:** Use Dry chemicals, CO<sub>2</sub>, water spray or foam

**Large Fire:** Use water spray, fog, or foam. Do not use water jet.

## SECTION 6 - ACCIDENTAL RELEASE MEASURES

In case of spill or leak, always shut off any sources of ignition, ventilate the area if dust is present in the air, and exercise caution. Use a brush and pan to put the material into a convenient waste disposal container. Finish cleaning the spill by rinsing any contaminated surfaces with copious amounts of water and detergent such as 409 ©. Use proper personal protective equipment as indicated in Section 8.

## SECTION 7 - HANDLING AND STORAGE

Wash thoroughly after handling. Remove contaminated clothing and wash before reuse. Avoid contact with eyes, skin, and clothing. Avoid ingestion and inhalation. Store in a cool, dry place. Keep away from sources of heat and ignition. Avoid excessive heat and light. Keep container closed when not in use. Store at room temperature.

## SECTION 8 - EXPOSURE CONTROLS, PERSONAL PROTECTION

**Engineering Controls** - Use process enclosure, local exhaust ventilation, or other engineering controls to control airborne levels

**Personal Protection** - Work in an approved fume hood. Use splash goggles, gloves, and lab coat. A respiratory protection program that meets OSHA's 29 CFR 1910.134 and ANSI Z88.2 requirements must be followed whenever workplace conditions warrant a respirator's use.

**Exposure Limits** - Not Available

## SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

Form	Solid	Boiling Point	Not specified
Density	Not specified	Melting Point	>315
Odor	None	Solubility	Organic Solvents

## SECTION 10 - STABILITY AND REACTIVITY DATA

**Stability** - This material is stable if stored under proper conditions. (See section 7).

**Conditions to avoid** - Excessive heat and light, incompatible materials, oxidants, acids.

**Incompatibles** - Strong oxidizing agents.

## SECTION 11 - TOXICOLOGICAL INFORMATION

The toxicological properties of this material have not been fully investigated. Use appropriate procedures to prevent opportunities for direct contact with the skin or eyes and to prevent inhalation.

**RTECS Number:** Not available

### Toxicology

Not available

### Routes of Exposure:

Ingestion, inhalation

### Carcinogenic Effects:

Not available

### Mutagenic Effects:

Not available

## SECTION 12 - ECOLOGICAL INFORMATION

**Ecotoxicity:** Not available

**Environmental fate:** Not available

## SECTION 13 - DISPOSAL CONSIDERATIONS

**Waste Disposal:** You may be able to dissolve or mix material with a combustible solvent and burn in a chemical incinerator equipped with an afterburner and scrubber system. Dispose of in a manner consistent with federal, state, and local regulations

## **SECTION 14 - TRANSPORT INFORMATION**

**DOT Classification:** NONE

**UN/ID Number:** None

**Packing Group:** None

**Proper Shipping Name:** none

## **SECTION 15 - REGULATORY INFORMATION**

This material IS NOT on the EPA Toxic Substances Control Act (TSCA) inventory. The following notices are required by 40 CFR 720.36 (C) for those products not on the inventory list:

1) This product is supplied solely for use in research and development by or under the supervision of technically qualified individuals as defined in 40 CFR 720.0.

2) The health risks of these products have not been fully determined. Any information that is or becomes available will be supplied on an MSDS sheet.

**WHMIS Classification**

**WHMIS Class D-2B:** Material causing other toxic effects (TOXIC)

## **SECTION 16 - OTHER INFORMATION**

*The above information is believed to be correct but does not purport to be complete and should be used only as a guide. The burden of safe use of this material rests entirely with the user.*
